

## Application for Plan Development Agreement (Section 41 of the Planning Act, 1990, R.S.O.)

(Revised October 27, 2016)

### Instructions:

Prior to making an application a proponent is required to pre-consult with the Township to determine the appropriateness of the request and review submission requirements. If the applicant is not the owner of the subject land, a written statement by the owner which authorizes the applicant/agent to act on behalf of the owner as it relates to the subject application, must accompany the application (See Section 8.0).

Site Plan approval is valid for one (1) year from the date of approval. If a building permit is not issued during this time, Site Plan approval is void. In accordance with Section 41(7) of the Planning Act RSO 1990, the Township may require the owner of the land to meet certain conditions to the approval of plans.

All information submitted in support of this application will be considered public information, including any reports, studies, drawings or other documentation submitted by applicant(s), agent(s), consultants(s) or solicitor(s). The Township of Perth South is permitted to make the application and any associated supporting information available to the general public, including posting electronic versions of the application form and associated studies and reports online. The Township of Perth South is also permitted to provide copies of the application and any supporting information to any member of the public or other third party that requests the information.

In accordance with the Clean Water Act, 2006, a number of Source Protection Plans have been developed that apply within the various watersheds within Perth County. The policies of these Source Protection Plans may affect this Planning Act application. More information about the applicable Source Protection Plans is available at:
